Friday 13th July 2018

Dear Parents and Carers,

We've had a busy week this week. It started off with **Y4** going to Braunton Academy to watch Essex Dance Theatre. The children had a great time watching and then having a go.

On Tuesday the **KS2 SATs** were published by the DfE. We wrote to individual parents yesterday with their child's results and we are currently just analysing the data. Once done it will go up on our school website under 'School Data'. Parents of those other children who have been assessed at key milestones (EYFS; Y1 phonics and Y2 phonic re-takes if applicable; and, Y2 SATs) will receive that information as part of their child's annual report which will be sent home next Thursday.

On Tuesday afternoon Mrs Lapish held our **music concert** for any child who wished to perform. Once again I was amazed at the quality and bravery of the children in getting up and performing in-front of their peers and family. We had a range of ages, abilities and instruments and it made for a great occasion. A number will be coming tomorrow to perform at the school fair so you will get a chance to hear them if you come along.

Also on Tuesday afternoon **Bumblee Class** re-told the *Bumblebear* story to their parents at the end of the day using talk for writing. The children were excellent as ever and it was lovely to see just how much progress they have made this year.

On Wednesday we had our **KS2 Sports Day**. Thank you to Miss Fogarty who oversaw everything, the PTA, those who came and helped set-up as well as those of you who were able to come along and support. It was a great day and finished off with some competitive sprints from the children and parents. Well done to the Red team that won on the day and congratulations to the Red team who were also the overall winners.

Also on Wednesday **YR** went to RHS Garden Rosemoor and they had a great time. They looked at the gardens and took part in a workshop as well. Thank you to those who helped, it was much appreciated.

Stars of the week

Well done to:

Grace Kevan, Posy Page, Edward Hall, George Lemon, Alfie Butler, Edward Cole, Stevie Wayne, Scarlett Goodyear and Isis Venn, Tommy, Toby McDowell, Nel Gradalska, Iris Egan-Russell, Mya Storkey and Billy Taylor

Books

Please check your book shelves and child's room at home for class and school library books and return any asap.

As it continues to be sunny please make sure children are in shorts/ skirts/ dresses/ short playsuits etc and they sun cream has been applied before school.

Yesterday it was the **EYFS and KS1 PTA disco**. It was loud, hot and sweaty but then that's what it was always going to be! The children had fun and it was lovely to see them dancing which you don't always see when they get older! Thank you to the PTA for organising.

Lastly, this morning, **Miss Read's** class had their assembly based on their topic of Brazil. It was a confident assembly complete with carnival dancing and a class steel pan and mini-glockenspiel samba musical performance. Well done.

Today was also the last surf lifesaving PE session for Y6. Thank you to Gary Wright, Sarah Durrant and Kelly Cooper for being there for all the sessions which made it possible to take the children in the sea. Thank you also to Dan Woodley and Phil Stanier for their time as well. Again, thanks to Saunton Surf Lifesaving Club and Surf'd Out for their support.

Tomorrow is the **school fair** and it is on from **12-4pm** on the school field. I know that there are lots of events planned including ferret racing and the now annual children's open mic or 'Caendenbury' as it's been christened. It would be great to see as many there as possible as it is a lovely afternoon and great fund raiser for the school.

We are sending out some other bits today with the newsletter. The **PTA AGM** minutes that I should have sent out previously (apologies) are attached as is a poster for a challenge that Fletcher's granny is doing to raise money for the North Devon Hospice. She is planning to cycle from Braunton to Lands End over a couple of days in September and if you and your family would like to join her for the ride out at the start and raise some additional funds that would be great.

We have some photos of the musical performers, the YR trip to Rosemoor and Toby's fabulous Brazil themed sculpture that he built with his grandad. Have a good weekend and I hope to see as many of you as possible for some or all of the fair tomorrow.

Kind regards,

Mr Page
